DGD-120 E

Bar cooler

The DGD-120 E bottle cooler is equipped with solid door, dynamic cooling (quick cooling effect), electronic thermostat with automatic defrost, adjustable feet, exchangeable door seals, inner LED light with separate switch, 2 adjustable metal shelves for each door and door lock. Silver coloured skinplate inside, anthracite coloured skinplate outside. Door left or right hinged.
The service friendly condensor requires less cleaning.

The Energetic label indicates that the DGD machine unit is environment friendly (Natural refrigerant R290).

Option:
- Version for KEG storage
