## **DCL-3 E-212**

### **Bottle cooler with drawer and bottle racks**

Bar coolers DCL are the new standard in professional bottle cooling. Based upon a few standard modules it offers a wide variety of possibilities. Each cooler comes in the composition of your own choice with drawers, bottle racks, glassdoors, plug ready (MU).

DCL-3 E-212 coolers with solid door, drawer and bottle racks have ventilated cooling (quick cooling effect), electronic thermostat with automatic defrost, adjustable feet, exchangeable door seals, inner LED light also in drawers, 2 adjustable metal shelves for each door, fully extendable drawers on telescopic rails. The maximum height of bottles in drawers is 340 mm.

Silver coloured skinplate inside,  
anthracite coloured skinplate outside.  
Easy connection of beer hoses with tap  
through to pre-drilled holes on sides of  
the device.

Simple service - completely removable  
cooling unit.

The Energetic label indicates that the  
DCL machine unit is environment  
friendly (Natural refrigerant R290).

Option:

- lock on door and drawer
- glass door instead of solid door
